

FOR IMMEDIATE RELEASE

Shark Meat Records to Release Grace Garland's Holiday Anthem "Single Mingle Jingle" on October 31, 2006

Get Your Holiday On With Grace Garland's Dance Maxi-Single Featuring Remixes By Dr. Brooks

NEW YORK, NY (October 6, 2006) – "Get Your Holiday On" this season with **Grace Garland** when she releases her first remix single **Single Mingle Jingle**, the holiday anthem for the *single* person, on **Tuesday October 31, 2006**.

Single Mingle Jingle will be released as a high-energy four-track maxi-single containing three remixes by New York City DJ and Remix Producer - **Dr. Brooks** together with the original album version of the song.

"I'm hoping the song will remind that one person who really needs to hear it, that they too deserve to be happy and have a good time dancing and mingling during the Holidays," exclaims Grace.

Grace Garland's debut album **Lovers Never Lie (In Bed)** featuring emotionally charged jazz-infused R&B tracks received much praise after it's release.

Grace Garland is known for such roles as **Q's Mom (Omar Epps'** mother in the Hip-Hop cult classic **Juice**); the voice of **Aunt Debra** in **Bill Cosby's** animated series **Little Bill**; **Vera Vanderbilt** on **All My Children**; **Thicker Than Blood** (TNT) with Dan Futterman; three seasons in the sketch comedy ensemble of the **Apollo Comedy Hour** (National Syndication) originating new characters as well as parodying everyone from Senator Hillary Rodham Clinton to Tina Turner; and the relationship therapist, **Dr. Love** in the romantic comedy **30 Years to Life** starring former SNL's Tracy Morgan.

Grace Garland's *Single Mingle Jingle Remixes* and *Lovers Never Lie (In Bed)* are

available from **SharkMeatRecords.com**, **iTunes**, **eMusic**, **Zune**, **Yahoo! Music**, **AOL Music Now**, **MTV Urge**, **Wal-Mart Digital**, **Amazon** and other major online retail outlets around the world.

Shark Meat Records is an independent record label based in New York City with a focus on alternative, pop and electronic artists. The label embraces the evolving music landscape by adopting the latest digital and online distribution, marketing and music technologies.
